

I am writing to you this evening with concern for our beautiful town of Haddam. We have not been receiving equitable funding from the state through the Education Cost Sharing Grant for many years now. I am urging you to pass this bill that will allow Haddam to receive our fair share. This underfunding adds so much pressure to taxpayers in Haddam. This also makes it harder for Haddam to be competitive for businesses. Our school district has a great reputation and in order to maintain this quality education it is imperative that we receive the funding that will allow us to do so. Thank you for your time and consideration.

A concerned mom, Haddam taxpayer, and Educator
